May 2025 Examination

16 July 2025

The Association of Taxation Technicians, the oldest and largest body concerned solely with tax compliance, announced today the results of its examinations taken by 830 candidates in May 2025 with an additional 554 candidates who sat one or more ATT papers on the ATT CTA Tax Pathway. The Association reports that a high standard of performance was achieved by many candidates.

The Association President, Graham Batty, commenting upon the results said:

“I am delighted to congratulate all the successful candidates from the May sitting of our exams. In total 830 ATT candidates and 554 ATT CTA Tax Pathway candidates sat 1,785 papers and 1,305 passes were achieved. 94 distinctions were awarded to candidates for outstanding performance.

Having taken professional exams myself I have personal experience of the many hours of study and sacrifice of your social life required to sit these examinations. I commend all the candidates for putting in the long hours and effort necessary.

The ATT’s modular system means that candidates can study at their own pace, within the five-year registration period, whether they are working towards full membership or simply wishing to obtain one or more Certificates of Competency in their specialist area.

I look forward to meeting the candidates who take up membership at our next Admission Ceremony.”
