

## ATT overview for May 2026 exam delivery via TestReach

### Step 1: Actions after exam entry

- Read all ATT preparation guidance and FAQs
  - Check you have: a suitable computer, second camera and clear-desk environment
  - Download TestReach - use the device you plan to sit your exam on
  - Try out TestReach using the Test Tutorial and ATT practice test
- Note: the deadline for reasonable adjustment and access arrangement applications is **six weeks** before the exam. We cannot guarantee to grant late requests.

### Step 2: ATT candidate email

- ATT sends first candidate email 3-4 weeks pre-exam
- Check your junk/spam folders
- Email gives your TestReach Access Code - but this will not yet be 'live'
- Reminds you to review step 1 - downloading TestReach etc

### Step 3: TestReach enrolment email

- ATT-branded email from [do-not-reply@testreach.com](mailto:do-not-reply@testreach.com) sent 2-3 weeks pre-exam
  - Login to TestReach using your **Access Code**
  - Check your six-digit **ATT student registration number** is shown in the top-right
  - Complete system checks - use computer/second camera you will use for the exam
- You **must** then book your exam start time, via the TestReach application

### Step 4: Reminders

- ATT monitors exam check-ins and issues reminders
  - Deadline to book exam start time: **72 hours** pre-exam
  - Contact TestReach if you miss the deadline to see if you can be accommodated
- All candidates receive a reminder email 24 hours pre-exam

### Welcome.

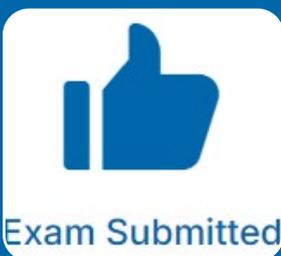

Please enter your access code

Access Code\*

ATTS - 001X - XXXX

### Step 5: Exam day

- Ensure you have your online legislation login details and a calculator
- Login to TestReach using your Access Code up to 15 minutes before your booked time
- Complete system checks again, including connecting second camera
- **Wait** for the TestReach proctor - do not leave: you will lose your place in the queue!
- Proctor will onboard you, checking your desk/person, then your exam will begin

### Step 6: Completing your exam

- Copy and paste all of your Excel workings to the answer spaces
- Press submit when you have finished (you will be asked to confirm)
- Progress is saved in-exam and will be auto-submitted when time runs out
- TestReach screen confirms submission
