Executive Director
Association of Taxation Technicians
30 Monck Street

Dear

I refer to our recent discussion and I am very honoured that I am being put forward as a member of ATT Council and I can confirm that I am in a position to devote the time necessary to the position.

I also confirm that I have read the Code of Conduct for Trustees and that I have signed my agreement to abide by the Code in my capacity as a council member. I can confirm to you that, at this point in time and to the best of my knowledge, there are no matters arising in relation to my financial position, taxation affairs or professional conduct that could give rise to concern in relation to the provisions of the Code or which could harm the reputation of the Association. I further confirm that as soon as I become aware of any matters that could give rise to concern in the context of the requirements of the Code or which could harm the reputation of the Association I will bring these immediately to the attention of the President of the day or, in the event that at this time I hold the office of President, to the other members of the Leadership Team serving at that time.

Kind regards
