30 September 2026

The Association of Taxation Technicians, the oldest and largest body concerned solely with tax compliance, announced today the results from the additional sitting of its examinations held in July 2026, taken by 204 candidates, this includes 70 candidates who sat one or more ATT papers on the ATT CTA Tax Pathway. The Association reports that a high standard of performance was achieved by many well prepared candidates.

The Association President, Barry Jefferd, commenting upon the results said:

“I am delighted to congratulate all the successful candidates from the July sitting of our exams. In total candidates sat 226 papers achieving 137 passes. In addition, distinctions were awarded to 10 candidates for outstanding performance.

I commend all the candidates for putting in the long hours and effort necessary.

The ATT’s modular system means that candidates can study at their own pace, within the five-year registration period, whether they are working towards full membership or simply wishing to obtain one or more Certificates of Competency in their specialist area.

I encourage all the successful candidates who are now eligible to apply for membership, and I look forward to meeting them at our next Admission Ceremony. “
