

PASS AND PRIZE LIST

May 2018 Examination

18 July 2018

The Association of Taxation Technicians, the oldest and largest body concerned solely with tax compliance, announced today the results of its examination taken by 936 candidates on 1 and 2 May 2018. The Association reports that a high standard of performance was achieved by many candidates.

The Association President, Tracy Easman, commenting upon the results said:

“I am delighted to congratulate all of the successful candidates from the May sitting of our exams. In total candidates sat 1,664 papers and 1,253 passes were achieved with 103 distinctions awarded for outstanding performance.

Our modular system means that candidates can study at their own pace, whether they are working towards full membership by sitting the two compulsory and one optional paper together with our two Computer Based Examinations or simply wishing to obtain one or more Certificates of Competency in their specialist area. This flexibility continues to be popular.

As a result of the examinations 142 candidates have now completed the examination requirements for membership and a further 225 candidates have completed the examination requirements for membership by passing the two Computer Based Examinations since the last pass list was issued in January 2018. Of the 142 mentioned above, 64 have now completed the examination requirements for the ATT element of the Tax Pathway. I look forward to meeting as many new members as possible at one of our popular admission ceremonies held at the House of Lords.”
