May 2019 Examination

24 July 2019

The Association of Taxation Technicians, the oldest and largest body concerned solely with tax compliance, announced today the results of its examination taken by 966 candidates on 8 and 9 May 2019. The Association reports that a high standard of performance was achieved by many candidates.

The Association President, Jeremy Coker, commenting upon the results said:

“I am delighted to congratulate all the successful candidates from the May sitting of our exams. In total 966 candidates sat 1,786 papers and 1,349 passes were achieved with 94 distinctions awarded for outstanding performance.

Our modular system means that candidates can study at their own pace, whether they are working towards full membership or simply wishing to obtain one or more Certificates of Competency in their specialist area. This flexibility continues to be popular.

I look forward to meeting as many new members as possible at one of our admission ceremonies held at the House of Lords.”
