

PASS AND PRIZE LIST

May 2020 Examination (held in July)

19 August 2020

The Association of Taxation Technicians, the oldest and largest body concerned solely with tax compliance, announced today the results for the Paper 4 – Corporate Taxation examination taken by 184 candidates on 3 July 2020. All other examinations scheduled for May 2020 sadly had to be cancelled due to the COVID-19 pandemic. The Association accelerated its plan to introduce online exams so that at least some of the candidates who had been preparing for their exams could still do so in July. The paper was sat via a remotely invigilated system. It was pleasing to see that a high standard of performance was achieved by many candidates.

The Association President, Jeremy Coker, commenting upon the results said:

“I am delighted to congratulate all the successful candidates from the summer sitting of Corporate Taxation, especially in this extraordinary time in both their professional and personal lives. 184 candidates sat, 150 passes were achieved with 10 distinctions awarded for outstanding performance. It was the first time that the technology was used and we appreciate that it brought its own particular challenges to some candidates. We thank them, their employers and also our ATT team for being so accommodating.

I look forward to meeting as many new members as possible at one of our admission ceremonies when it becomes safe to hold these again.”

The Stary Medal

The Stary Medal has been awarded to David John Hunt of Faversham who is employed by Burgess Hodgson LLP in Canterbury.

The Stary Medal is awarded to the candidate with the highest mark in Paper 4 – Corporate Taxation.

Prizes and Medals are only awarded provided the papers are of a sufficiently high standard.

Distinctions

Passes with Distinction for each Certificate paper are listed on the accompanying document. Distinctions are only awarded to candidates whose answers reflect an exceptional level in a paper.

The Association is a charity and the leading professional body for those providing UK tax compliance services. Our primary charitable objective is to promote education and the study of tax administration and practice. One of our key aims is to provide an appropriate qualification for individuals who undertake tax compliance work. Drawing on our members' practical experience and knowledge, we contribute to consultations on the development of the UK tax system and seek to ensure that, for the general public, it is workable and as fair as possible.

Our members are qualified by examination and practical experience. They commit to the highest standards of professional conduct and ensure that their tax knowledge is constantly kept up to date. Members may be found in private practice, commerce and industry, government and academia.

The Association has over 9,000 members and Fellows together with over 5,800 students. Members and Fellows use the practising title of 'Taxation Technician' or 'Taxation Technician (Fellow)' and the designatory letters 'ATT' and 'ATT (Fellow)' respectively.
