

PASS AND PRIZE LIST

May 2021 Examination

21 July 2021

The Association of Taxation Technicians, the oldest and largest body concerned solely with tax compliance, announced today the results of its examination taken by 1,020 candidates in May 2021. The Association reports that a high standard of performance was achieved by many candidates.

The Association President, Richard Todd, commenting upon the results said:

“I am delighted to congratulate all the successful candidates from the May sitting of our exams in what continues to be an extraordinary time in both their professional and personal lives. In total 1,825 papers were sat and 1,448 passes were achieved with 96 distinctions awarded for outstanding performance.

All of the papers were sat remotely and I would like to commend mostly the candidates, but also employers and our examination team who continue to display remarkable adaptability, resourcefulness and resilience in order to make it possible for our students to continue on with their careers by sitting their exams remotely.

Our modular system means that candidates can study at their own pace, whether they are working towards full membership or simply wishing to obtain one or more Certificates of Competency in their specialist area. This flexibility continues to be popular.

Even though we have held two online admission ceremonies, I look forward to meeting as many new members as possible at one of our admission ceremonies when it becomes safe to hold these again.”
